Official SWICA Sporting Clay Tournament Rules

- No alcohol is allowed before or during shooting activities – no exceptions.
- Gun actions MUST be kept open and unloaded except within the shooting stations.
- SWICA reserves the right to alter or cancel any part of this program, refuse entry or cause withdrawal of any shooter or team, if conditions warrant.
- You must be present to win door prizes.
- You must be at least 18 years of age to play in tournament
- The Lewis Class system will be used for team scoring which allows for the use of purchased mulligans.
- Safety glasses and hearing protection are required in all shooting areas.

Weather cancellation policy (if Tournament in Progress)

All score cards will be collected and analyzed to identify the squad that shot the least number of stations. All participants will be scored based on the same number of stations as the squad that completed the fewest amount of stations. For squads completing more stations than the team(s) completing the fewest stations, scores will be determined from the squads' first station up to the station count that matches the same number of stations completed by the squad(s) completing the fewest number of stations (when the weather discontinuation is determined). All scores collected above that minimum number of stations will not be included in the squad score. Mulligans will be eliminated from scores.
